Description			
<i>Provide a short description of the event and its activities.</i>			
28. and 29.11.2023 teacher training seminar in Barcelona took place.			
Last October 28 and 29, Mozaika organized the HerStories Seminar at its headquarters, Casa Adret. Over two days, 30 passionate teachers from all over Barcelona came together to learn first-hand about			

the educational possibilities offered by the HerStories project. Over the course of two very intense days: the project was presented; the question of why it is important to approach History from a gender perspective was addressed, especially using personal testimonies; the 7 HerStories were revealed; Google Classroom teaching material was shared, carrying out one of the proposed activities; Dory Sontheimer - Rosl's daughter - told the story of her mother; Stefania Fantauzzi spoke about Hannah Arendt; there was a walking tour following Rosl's footsteps through the streets of Barcelona, and finally, Daniel Voskovoynik, left attendees speechless with his passionate approach to Jewish music background.
