On Friday, April 12, 2024, Casa Adret, the esteemed headquarters of Mozaika, hosted the grand opening of the Herstories exhibition. This momentous occasion drew a diverse crowd, including esteemed members of the educational community and representatives from Catalan institutions.

Dory Sontheimer's poignant address, as the daughter of Rosl Heilbrunner, resonated deeply with the audience, eliciting a heartfelt applause. Adding to the ambiance, Daniel Voskoboynik's musical performance, featuring compositions by Jewish women, coupled with his enlightening discourse on the collective memory of Jewish performers, enriched the event.

Guiding the attendees through the exhibition was Mónica Buzali, a valued member of the Mozaika team. Their keen interest and enthusiastic response to the exhibition's content underscored its significance and impact.
